

Route to the cottage

As you enter Blaenau Ffestiniog via Dolwyddelan along the A470 or come all the way through the town if you have come over the moors from Bala, you will come to a roundabout. Tanygrisiau is signposted 1 mile.

Follow the A496 until you pass the plastics factory on your left; then turn right. Immediately turn left and take the road leading to the power station. The entrance to the road is marked by two stone pillars.

Follow this road until you pass the café (reasonably priced for breakfast etc.) on your right, then turn sharp right and cross over the steam railway track.

Follow the road to the top and over the bridge.

Turn right and then take the second turning on your right; this is after South Street. You are now at the back of the cottages where you can park in the car park at the end of the terrace.
